Call to Order: Mr. Wheeler called the meeting to order at 7:45 pm; all those present joined in the Pledge of Allegiance.

Public Comment:

- Car Show – Joe Chamberlin would like to propose to council a car show fundraiser idea that the fire department would like to run in Hulmeville Borough. Many surrounding towns run car shows as a way of raising money. Their goal is to have 100 cars participate at \$20 per car which would raise \$2,000. The cars would be lined up along Main Street so the street would need to be closed for the event. They would like to have the show in either July or August on a Friday from 4pm to 9pm. Mr. Wheeler suggested Mr. Chamberlin put his proposal in writing including a map of the streets that would be affected by the event.
- Earth Day Event – Ms. Mahon announced that Core Creek Park is hosting their annual Earth Day event on April 29th.

Mayor: The Mayor thanked everyone for coming to council's community meeting on storm water and flood plain concerns. He also wanted to recognize Ms. Mahon for all the work she put into the presentation and thank William Penn Fire Company for hosting the event.

Floodplain and Storm Water: Ms. Mahon went through a power point explaining MS4, storm water and flood plain concerns. At the end of the presentation she took time to answer questions.

There being no further official business the meeting was adjourned at 9:15 pm; motion made by Mr. Mandolesi and Mr. Walton.

Respectfully Submitted

Dorothy Omietanski,
Hulmeville Borough Secretary
